Lynn,

The SYR3 Options Selection keeps bumping around. Most recent info I have now is Tuesday, 5/31 from 11 a.m. – 12 p.m. I've attached some helpful background materials. OGWDW's briefing paper, the OSP briefing paper I did (5/16), and an old ppt. from Feb. 2015 OGWDW did on fluoride for the workgroup. Subsequently, I'll send you a recent e-mail I have from Suril Mehta in OCHP. Please let me know if you have any questions, or want to talk about any of the options in more detail.
